# What is SkillShare?

## Our Goals

### Connect.

We at SkillShare are committed to bringing artists together with learners.

### Promote.

SkillShare is committed to promoting local artists and ensuring that they get the recognition they deserve.

### Grow.

Through fostering relationships between artists and learners, we hope to inspire growth in our local communities.

## SkillShare provides the ability to

SkillShare is a open workshop platform through which artists can connect with members of the community who are eager to learn a new skill, but have not had the means (financial or otherwise) to do so.

### What Do You Want to Teach?

SkillShare hopes to set up workshops throughout the community where local artists can share their skills with others. Please note that we welcome artists and experts from every field, be they weavers, painters, chefs etc.

### What Do You Want to Learn?

Our motto, "See One, Do One, Teach One" express our goal of not only promote the artists who are teaching, but also nurturing learners who want to become teachers themselves.
